

HR & LEARN

**Do you have a burning HR or law question?
Want to learn more about a HR topic over lunch?**

Why not have CWJ come to your cluster meeting to discuss:

-  **Changing contractual terms**
-  **Disciplinary and grievance procedures**
-  **Discrimination awareness**
-  **Employment law updates**
-  **Introduction to employment law**
-  **Managing sickness absence**

This is the perfect opportunity to escape your practice over lunchtime and listen to their employment solicitors in a relaxed setting. CWJ will bring lunch if you provide the meeting room in you practice.
